

City of Albany Environmental Education Program Funding Application

Purpose

The City of Albany Public Works Department has set aside a limited amount of funds to assist local teachers with environmental educational opportunities that require additional funding outside their established budgets which align with the functions of the Public Works Department.

Guidelines

- Who is eligible? The Environmental Education (EE) program is available to teachers in the Greater Albany Public School (GAPS) district, OYA and teachers in private schools serving students from the Albany/Millersburg area.
- What are the funding amounts? In general, funds will not exceed \$500 per teacher each schoolyear. In some cases, the City may award more than the funding limits based on the circumstances and at the City's discretion.
- Is there a requirement for matching funds? No.

What restrictions are placed on using City funds? The funds may be used to pay for a variety of needs related to environmental education projects including transportation, labor costs for substitute teachers, and materials directly related to the request at hand. The City encourages applicants to apply to other grant sources that may supplement or augment these funds whenever possible.

What types of environmental education projects are typically approved?

- ✓ Bus transportation to a treatment facility or Talking Water Gardens wetland
 - ✓ Neighborhood/street litter pickup supplies (vests, grabbers, signs, garbage bags, etc.)
 - ✓ Drip irrigation materials for a school garden or landscape
 - ✓ Native plants to create raingarden or natural landscape on school grounds
 - ✓ Water quality testing supplies including boots, testing equipment, transportation, substitute teacher costs
 - ✓ Water Conservation audit, testing, outreach supplies
- Is there a guarantee of funding? No. The City cannot guarantee that every application will be approved and funded in whole or in part. The City has limited funds dedicated to this program and funds will be awarded on a first-come-first-considered basis. Not all applications that are considered will be approved. There is no guarantee that the funds for this program will continue in future fiscal years.
 - How do I apply? A completed application form may be submitted at any time during the school year. Please feel free to contact city staff before applying to check the status of the EE funding and determine if the application request fits the city's criteria.
 - How will I know if my application has been approved? Once the application has been approved, an **approval letter and project identification number** will be sent the contact person on the application. This letter will include a brief description of the project, amount of funds approved,

and a project identification number. The project identification number should be used for billing & tracking purposes. A copy of this approval letter will be sent to the accounting manager in the school system listed on the application.

- Who is the accounting manager? For GAPS, this person is Kathie Vosper. For non-GAPS, the accounting manager is someone who is responsible for purchasing items for your organization.

Kathie Vosper
718 Seventh Avenue S.W.
Albany, OR 97321-2399
(541) 967-4505
kathie.vosper@albany.k12.or.us

- How will I get the money? Teachers who are approved for funds from the City are responsible for ensuring City funds are spent according to the budget submitted. Teachers **MUST follow GAPS procurement rules**. Please direct questions to your school's office manager and work with the GAPS accounting manager.
 - For project supplies to receive a GAPS PO to purchase **supplies, materials, GAPS transportation and substitute costs** so that the proper information, including the **project identification number**, is used for billing purposes. Once the City receives the bill for those items from the accounting manager, and the costs have been verified, we will issue a check to GAPS. **Other materials will be purchased directly by City staff.**
- Is there a deadline to spend the funds? **Funds must be used by June 1 every school year.**
EXCEPTION: All GAPS transportation/substitute paperwork must be submitted to Kathie Vosper by the last day of school for payroll processing.
